**Jr. Big Dog Info:**

The Jr. Big dog Invitational has become the most prestigious event of the year in karting for the youth drivers. Last year's event saw over 1700 entries for the weekend and this year promises to be just as exciting. We are looking for top runners from all over the country. Our goal each year is to bring all the nations "hot shoes" together and determine which one will have the bragging rights for being the "2010 Jr. Big Dog". We are looking for drivers who are front runners from the local level, State, National, and every series in between. Don't worry if your driver's name is not on the list of invites. Everyone is invited to attend. If you think he/she deserves an invitation for their on track performance please make plans to attend! We realize that just because your driver's name may not be pasted all over the karting headlines, he/she still has what it takes and deserves a chance at being crowned 2010 Jr. Big Dog champion. Last years winners are still reaping the rewards after many sponsorship opportunities became available to them.

There is absolutely no entry fee for each of the three Jr. Big Dog classes. Each race will be 40 laps, there will be two, 20 lap segments with a 10 minute break at halfway. The driver and two crew members will be allowed to make changes to the kart. Crew will be allowed to make any changes necessary, however you will not be allowed to change engines, oil, or tires. You WILL NOT be allowed to use torches or apply chemicals to the tires at the break. All champions will receive a custom Jr. Big Dog Championship trophy as well as a Core Race products Heat Cube..

All of the races will be filmed by a professional crew. DVD's will be available for order at the event .

**Thanksgiving Dinner info: Our Family...Your Family...**

Several years ago, with Thanksgiving Thunder growing larger

each year, and more and more families arriving from all over the country on Thanksgiving day, the Komplex started serving Thanksgiving dinner in its on-Site restaurant. This isn't "concession stand"

style food! This meal is a traditional, home cooked Thanksgiving dinner with all the trimmings served in the 300 seat restaurant located on the track property. Last year, approximately 300 meals were served on Thanksgiving day. I can promise that if you attend the meal this year, you WILL be back again next year. This all you can eat meal starts around noon and goes until 3pm. Leave the cooking to us and come on out and enjoy dinner with us! We ask that you RSVP by November 19<sup>th</sup> so that we can get an approximate head count of how many will be attending.
